INTERNATIONAL SUMMER SCHOOL
ETSIAMN VALENCIA
Spanish for Life Sciences Students
13th to 24th July 2015
3 ECTS Places: 40 Fee: 650 € Deadline: 1st April 2015

Description

Spanish for Life Sciences Students is an intensive two-week course that aims to enhance the fluency of University Students from ETSIAMN Partner Institutions. Participants will have the opportunity to develop their communication skills and knowledge of Spanish for specific purposes in an authentic academic setting.

Intended outcomes

Upon completing the course, participants will have strengthened their communication skills and increased their competence in the Spanish language.

Course structure

The course lasts 50 hours, divided into five hours of training per day: three contact hours and two student self-study hours, (Monday-Friday, 10:00 – 16:30). Participants passing the final exam will obtain a 3 ECTS official certificate.

Requirements

The course is designed for intermediate and advanced users. A B1 level in Spanish is the recommended minimum entry level.

Course coordinator

Prof. Francisco Rovira, Head of International Relations ETSIAMN. Lecturers are native speakers and faculty from the UPV Department of Applied Linguistics.

Teaching methods

Work groups will be created based on the results of a placement test to be taken by all participants on the first day. Sessions involve short lectures, specific-purposes language tasks, team work, vocabulary-building and pronunciation exercises.

Dates and location

Monday, 13.07.15 to Friday, 24.07.15.
Place: *ETS Ingeniería Agronómica y del Medio Natural (ETSIAMN). Universitat Politècnica de València (UPV). Camino de Vera s/n. 46022 Valencia, Spain.*
