**Romanian – Austrian Science Days, 14 May 2009, Iasi, Romania**  
**Romanian - Austrian Partnering Day**

***Under the Auspices of***

***The Romanian Minister for Education, Research and Innovation***  
***The Austrian Federal Minister for Science and Research***

**Objectives:**

The second edition of the Romanian - Austrian Science Days are organised in order to further stimulate and intensify the co-operation in science, research and higher education between Romania and Austria. The objectives of the Austrian-Romanian Science Days are

- to promote or initiate new and ongoing cooperation activities
- to facilitate meetings between potential academic and research partners from Romania and Austria
- to enhance and deepen the contacts in higher education and research between Romanian and Austrian universities and/or research organisations
- to explore possibilities for developing new partnerships and deepening existing collaboration in joint study programmes, projects and research activities in the field of  
**ICT, Environment, Health, and Agriculture**

During the Partnering Day representatives from Austrian universities and research organizations will have the opportunity of site visits to the following universities and research institutes in Iasi: Alexandru Ioan Cuza University of Iasi, Technical University of Iasi, University of Agricultural Sciences and Veterinary Medicine of Iasi, University of Medicine and Pharmacy "Gr. T. Popa", Institute of Macromolecular Chemistry "Petru Poni" of Iasi and National Institute of Research & Development for Technical Physics

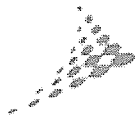

The organizers hope that promising new project ideas and new promising collaborative partnerships will be identified as results of the Romanian- Austrian Science Days.

**Organisers:**

- o Ministry for Science, Education and Innovation, Romania
- o Federal Ministry of Science and Research (BMWf), Austria
- o Romanian National Authority for Scientific Research (ANCS)
- o Austrian Research Promotion Agency (FFG)

**Venue:**

"Alexandru Ioan Cuza" University, Boulevard Carol I, No. 11, Iasi, Romania
