

Final checklist for EURASIA applications

Only fully completed and signed applications can be accepted!

Fill the application in **BLOCK letters!**

1. APPLICANT'S PERSONAL DATA

- Family name= surname in the passport
- by first name we mean the first names given in the passport
- choose only one duration next to the chosen Mobility, do not invent new durations or categories which are not given in the application form

3. RECEIVING INSTITUTION

- you **have to** choose at least one hosting university (receiving=host)
- fill in the table correctly, we cannot guess where you would like to go if you do not write it in the application form
- choose the hosting university **only** from the list of the partner universities (see project's website or contact your home university coordinator)
- make your choice according to the mobility table (see the project's website or contact your local coordinator)
- check if the chosen field of study is provided by the host university you want to go to, sometimes the chosen programme is provided but not in the English language, pay attention to this detail (visit the host university's or project's website or contact the host university or the project coordinator for information)

4. DEGREES HELD

- if you put the degree title in the table, you **have to** include the copy of this degree in your application

6. FOREIGN LANGUAGE CERTIFICATE

- give the full name, the date and the score of your language certificate

8. RECOMMENDATION LETTERS

- this field is only for students (including PhD)

Do not forget to sign the application form!

Do not forget to attach ALL the required documents (you have the list of the documents on the back of your application form!) with their English translation!

Please include only the requested documents (do not attach documents like taekwondo championships certificates, golden student awards or copies of your VISA card with the credit card number!)
