Joining the celebration of one month old Minh Chi.

World's strongest tobacco inhaled through the pipe. They smoke it everywhere at any time.

Student labs

# BOKU University

*“Well it is my first experience in Europe and also in Vienna Austria. I am so exiting to be here in new environment conditions...which is so differences from my country... That is every good an opportunity to study here to gain a lot of knowledge from University as well as life in Vienna. It is so wonderful city comfort and safety, I love it. So, on this occasion I would like to express my special thanks to the donor ERASMUS MUNDUS EXTERNAL COOPERATION WINDOW (EM ECW) EURASIA project to provide me full scholarship for my study, and on a great this opportunity I will try my best to success my study fruitful, and bring the knowledge to contribute in National University of Laos where my working place in Laos”.*

(Somkhith Boulidam, PhD student, Laos)

# BOKU University

*„I think that it is a good internet and computer service...It is really hard to imagine without this service“*

*„As an Indonesian, I value that Austrian particularly people living in Vienna is very welcome and friendly society, multiculture as well, Vienna is safe city, I got thousand million **smiles** and „**danke** voices“ at any place I stand, ...*

*As an international student at BOKU I found new different style in learning and socialized internationally with students from other countries around the world“*

(Ahmad, MSc student, Indonesia)

# BOKU University

*„Making a friendship with students coming from different country, different skin, and different language also opens our mind widely“  
(Ahmad, MSc student, Indonesia)*

# BOKU University

*„This is very nice party casually as an outdoor lecture activity. It was a very multicultural and pretty international lecture I followed in BOKU. I already have got many learning materials regarding cross culture issues“ (Ahmad, MSc student, Indonesia with BOKU Professor at an outdoor after-class party in the course „Decision Making in Management with Special Emphasis on Cultural Differences“)*
