

For staff and student exchange from European Universities, HUT is willing to host those who would like to do short-term research or internship at Institute of Food and Biotechnology, HUT. For master or bachelor program, we have not offered any full programs entirely in English. Interested student or staff can contact directly with International Cooperation Department –ICD (Ms. Nguyen Hong Hanh at nhhanh@mail.hut.edu.vn or Dr. Ngo Chi Trung at nctrung@mail.hut.edu.vn). The ICD will be responsible for arranging the most suitable program for you.
