

Appointment Committee Molecular Biology of Plants

The chairperson
Utrecht University, Department of Biology

Univ.-Prof. Dr. Corné Pieterse
Tel: +31 30 253 6887

Invitation to the public appointment lectures

Per video conference: <https://bokuvienna.zoom.us/j/93820329648>

With teaching lectures about
„The Future of CRISPR-Cas in Plant Biology“
and with the following scientific lectures

Monday, 20th June 2022

09:00–10:00 h: Dr. Yasin **Dagdas:** *„Leveraging evolutionary diversity to discover new autophagy mechanisms in plants and humans“*

10:10–11:10 h: Univ.-Prof. Dr. Thorsten **Hamann:** *„Plant cell wall integrity maintenance – enabling plant growth and adaptation to a changing environment“*

11:20–12:20 h: Univ.-Prof. Dr. Frank **Hochholdinger:** *„Genetic dissection of maize and barley root development“*

Tuesday, 21st June 2022

09:00–10:00 h: Univ.-Prof. Dr. Markus **Schmid:** *„Role of alternative RNA splicing in plant acclimation and development“*

10:10–11:10 h: Assoc. Prof. Dr. Stephan **Wenkel:** *„MicroProteins controlling developmental decisions in plants“*
