- Scientific experience in the field of cell and molecular biology and sound knowledge of cell culture and bioprocessing techniques
- Interest in teaching in the field of fermentation technology and animal cell culture

Applications can be submitted until: 1st of December 2023

University of Natural Resources and Life Sciences Vienna seeks to increase the number of its female faculty and staff members. Therefore qualified women are strongly encouraged to apply. In case of equal qualification, female candidates will be given preference unless reasons specific to an individual male candidate tilt the balance in his favour.

People with disabilities and appropriate qualifications are specifically encouraged to apply.

Please send your job application incl.

- motivation letter
- CV
